After Hours

Directed by Larry Hamm | Written by Kevin Jones
Produced with permission from Pioneer Drama Service.

All is quiet as the owner of a small clothes shop locks up for the night. Little does she know that when the lights go out, activity *really* picks up! Two lively mannequins, LuAnn and Patty, have been waiting all day for a chance to loosen up. They meet Danny, a guy who really thinks outside of the box., especially when two bungling burglars arrive on the scene. With Danny taking the reigns, the mannequins show the crooks who the real "dummies" are!
